LRHS TSA State Conference Report Card

Lakewood Ranch TSA has just returned from the 2017-2018 State Conference in Orlando, Florida. TSA (Technology Student Association) is a Career and Technical Student Organization that competed in events themed around Science, Technology, Engineering, and Mathematics. The Florida state delegation is one of the largest in the nation, with this conference having 1700 attendees and over 80 schools competing, making it one of the most competitive states in the country. The conference was 5 days long, spanning from after school Wednesday February 28th to Sunday March 4th. The chapter competed in 33 events and placed in the events below. The chapter was awarded 2nd place overall, a feat that hasn't been achieved in over 10 years for the school. At the conference, Braden River High School placed 1st overall and Southeast High School placed 3rd overall. The events below will also now be able to move onto preparing for the TSA National Conference in Atlanta, Georgia in late June.
